

1. The term “Company” in these Terms and Conditions refers to LeoPrime.
2. The term “Agreement” refers to anything laid out in these Terms and Conditions.
3. The Bonus refers to the Welcome Bonus and can sometimes be just referred to as the “Bonus” in these Terms and Conditions.
4. Client agrees that by participating in this promotion, that you will be bound by these terms (“Welcome Bonus Terms”) as well as the terms and conditions that apply to your trading account with LeoPrime. Capitalised terms and expressions used in these Promotion Terms shall have the same meaning as in Terms and Conditions unless specified otherwise.
5. LeoPrime offers 50% bonus program.
6. The minimum deposit to claim this bonus is US \$200.
7. This Bonus can be obtained by every new client who has passed the verification procedure in their Personal Area. Bonus can be offered only for one account.
8. This Bonus is withdrawable and tradable.
9. The maximum leverage offered is 1:300.
10. The Bonus can be claimed for every deposit.
11. The maximum amount of bonus for a profile is US \$2000.
12. The “50% Bonus” can be claimed only for Live Classic trading account.
13. Internal transfers between the accounts or commissions paid by LeoPrime will not be considered as a deposit. The application for the Bonus cannot be accepted for a deposit made by internal transfer or any Commission paid by LeoPrime.
14. The 50% Bonus offer cannot be claimed to the accounts if any other bonus has been awarded before.
15. The Validity of this Bonus will be 60 days, from the date the deposit was made.
16. The Bonus will be credited out automatically after the validity ends.
17. To keep the bonus, all the deposited capital should remain in the account until the necessary number of lots are completed. You can withdraw or internally transfer the profits but not the amount for which the bonus was received. If this condition is violated, the bonus will be debited.
18. In order to withdraw or internally transfer the bonus, the client must make (trade) transactions in the volume calculated by the formula:

Number of lots = bonus amount / 2

Example:

If the bonus amount received is \$ 600.

Thus, the number of traded lots to be completed is $\$600/2 = 300$.

When calculating the traded lots, transactions on unclosed positions are not considered.

19. If traded in Crude Oil (WTI), 10 standard Lots is calculated as 1 Standard Lot.

20. In case of fraudulent activities (such as a bonus is received by one client for several accounts, multidirectional orders, meaningless lots generating etc.), the company reserves the right to cancel the account(s), the bonus amount and the profit gained with this bonus without notice.

21. In case of any relation is detected between accounts (IP address, the same devices usage etc.) as well as the use of services that provide anonymity (VPS, proxy, VPN, networks such as Tor, VPS and etc.), the company reserves the right to, after investigation, cancel the Welcome Bonus and the earned profit.

22. If LeoPrime suspects that the client tries to abuse the rules of the offer, the company reserves the right at own discretion to refuse, suspend or withdraw the bonus and, if strictly necessary, to block the client's account (trading will be prohibited, transactions will be cancelled, the initial deposit will be returned by bank transfer).

23. If LeoPrime suspects that the client abuses the promotion rules by hedging his/her positions inside (with the use of other trading accounts in LeoPrime) or from outside (with the use of other trading accounts with other brokers), the company reserves the right to immediately withdraw the bonus from this client's trading account or from the hedged account without requesting the client's consent and, if strictly necessary, to block the client's account (trading will be prohibited, transactions will be cancelled, the initial deposit will be returned by bank transfer).

24. Using unlicensed copies of Windows can also lead to the cancellation of the bonus, since the analysis algorithm for the accounts affiliation detection can use the operating system license data.
