

Promotional Terms & Conditions

LeoPrime provides you the opportunity to start trading in the Forex market without any deposit and risk as we set a better way for our new clients to check our service and also to allow them to enjoy trading without any commitments.

1. The term “Company” in these Terms and Conditions refers to LeoPrime.
2. The term “Agreement” refers to anything laid out in these Terms and Conditions.
3. The Bonus refers to the No Deposit Bonus and can sometimes be just referred to as the “Bonus” in these Terms and Conditions.
4. This Program is not available or applicable for:
 - a. Demo accounts
 - b. Employees (or family members of employees) of Leo Prime Services Limited or companies within the Leo Prime Services Limited group of companies, or other producers or suppliers associated with this Program.
5. The Bonus refers to an amount of US \$50.
6. No Deposit Bonus can be obtained by every new client who has passed the verification process.
7. The No Deposit Bonus can be obtained only within 20 days from the moment of registration.
8. This No Deposit Bonus will be valid for only 30 days from the date the Bonus has been claimed/credited.
9. The Bonus will be credited out automatically after the validity ends.
10. The Bonus cannot be withdrawn.

11. The No Deposit Bonus can be used only once. It can only be obtained by new clients for one trading account in a Profile.
12. The No Deposit Bonus is not available for the Electronic Communication Network (ECN) and the Cent Account.
13. You have to complete 4 Standard Lots with the given validity of this No Deposit Bonus in order to withdraw the Bonus.
14. If traded in Crude Oil (WTI), 10 Standard Lots are calculated as one Standard Lot.
15. Your account leverage must not exceed 1:500.
16. Your traded positions must exceed 5 minutes. Trades closed before that time will not be considered valid trades for the company.
17. The maximum withdrawable profit is US \$50. The minimum withdrawable profit must be at least US \$10.
18. In order to withdraw the profits you should open a new **Live Classic Account** from your Personal Area after the 30 days validity and deposit a minimum of US \$100 and trade 1 standard lots in FX Pairs. If this condition is met the profit earned from your **No Deposit Bonus Account** will be transferred to this **Live Classic Account** and will be available for your trading/withdrawal.
19. The withdrawal of the profit from the **Live Classic Account** can be placed by the client from his/her Personal Area, and it will not be instantly processed. It takes maximum of 48 working hours to get processed to the withdrawal details provided by the client at the time of requesting for withdrawal.
20. If you have not completed the lot size in the given period, the Bonus, as well as the profit you have made, will be removed from your **No Deposit Bonus Account**. (For Example: You have completed 3.99 Standard lots and earned a profit of some amount in the given 30 days, the bonus as well as the profit will be removed from your trading account.)
21. Client cannot make Internal Transfers or place a withdrawal of the profit earned in this **No Deposit Bonus Account** before the validity of this Bonus ends.

22. If the client tries to do any of the activities, the company reserves the right to after investigate, cancel the No Deposit Bonus and any earned profit/s.
23. In case of fraudulent activities, such as a Bonus is received by the same client for several accounts, multi-directional orders, or meaningless lots generating etc., the company reserves the right to cancel the account(s), the whole amount of Bonus paid, and the profit gained with this Bonus without notice.
24. If a relation between the accounts (IP address, the same devices used, etc.) as well as the use of services that provide anonymity (VPS, proxy, VPN, networks such as Tor, etc.), is detected, then the company reserves the right to, after investigation, cancel the No Deposit Bonus and any earned profit/s.
25. Price feed errors, internet interruptions, and connectivity delays sometimes create a situation where the prices displayed on the Trading Platform do not actually reflect the market rates. Trading strategies aimed at exploiting such errors in prices (or) concluding trades at off-market prices or taking advantage of these internet delays are not permissible on the Trading account.
26. If the Company, with a valid reason with proof, suspects that the client, based on his/her trading strategy or other behaviours, deliberately and/or systematically exploited or attempted to exploit such errors in prices and/or off- market prices, then the Company is entitled to take one or more of the following counter measures:
 - a. Restrict or block access to the Trading Platform,
 - b. Terminate this Agreement immediately,
 - c. Close the client's account immediately,
 - d. Remove any of the client's trades,
 - e. Take legal action for any losses suffered by the Company.
27. Using unlicensed copies of Windows can also lead to the cancellation of the Bonus, since the analysis algorithm for the accounts affiliation detection can automatically verify and detect the operating system's license data. The Company reserves the right not to disclose ways to detect unverified accounts or associated activities, as well as any fraudulent actions.

28. The Company reserves the right to amend or modify the campaign terms without prior notice.
29. The official language of the Agreement is English. In case of variant readings of a translated version and the Agreement in English, the Agreement in English are considered as a prior reference standard.
